Rauris Rugby Festival 20th – 21st September 2008

Austrian Chalets and Candelisa Resorts are delighted to be the patrons for the first ever Rauris International Rugby Festival on 20th & 21st September 2008.

Rauris will play host to Rugby Österreich (The Austrian National side) as they take on an England Select 15, featuring many world class international players.

As well as several 'have-a-go' activities for adults and children, the weekend will also pay host to SCRUMSMART – a high level coaching initiative led by Rhino Rugby.

We would love you to join us for this exciting family event and offer you and your family complimentary tickets to the Rugby matches and 2 complimentary tickets to the presentation dinner on the Saturday evening. The dinner will be held at the Gasthof Grimming in the centre of Rauris at 7.00 p.m.

There will be free coaching clinics from top England coaches for children, rugby players, and anybody who fancies having a go!

We hope you can join us for this truly exciting event.

Please contact Pamela Cooke, email pamela@austrianchalets.com or telephone on 01943 882302 for tickets and further information.

Designed to promote safe and effective contested scrummaging, SCRUMSMART enjoys the endorsement of many of the leading National Rugby Unions (including England & Wales).

Phil Keith-Roach (England's 2003 Rugby World Cup Winning scrum coach) will lead the SCRUMSMART session.

An "Emerging Nations' Women's 7's Tournament, featuring women's international sides from Austria, Croatia & Hungary, will also be held as part of the weekend.
